

NCL Recognises best talent of safety

Various mines operating in Singrauli region were rewarded for their safety performance in different categories at the prize distribution ceremony of Annual Mines Safety Week-2018 held at Vasundhara Stadium of Northern Coalfields Limited (NCL) on Tuesday. The teams and employees who have done outstanding work in different categories of mine safety were also honored in the ceremony. In order to recognize the important role of families in ensuring safety of the workers, the employees were honored with their spouses.

Based on annual capacity, the mines were divided in two categories of group A and group B. Amlohri Area became overall winner in group A while Khadia Area bagged the second prize. Similarly, Krishnashila Area bagged 1st prize in group B and Block-B became the runner-up.

In group A, Khadia area and Jayant area bagged 1st and 2nd prize for excellent works in electrical and maintenance. In group B, Jhingurda became the winner while Krishnashila was runner up. For outstanding excavation operations, Dudhichua bagged first prize in group A and Reliance coal mine became the runner up. In group B, Kakri won the title and JP power was at second position.

Nigahi bagged 1st prize for outstanding performance in OB removal in group- A and Amlohri secured second position. Block-B bagged 1st prize in group-B and Krishnashila became runner-up. For mining activities, Jayant Area and Reliance remained at first and second position respectively. Bina area became winner in group B and Jhingurda secured second position.

In the prize distribution ceremony, the pavilion of Nigahi was awarded first rank while that of Amlohri was ranked second. Likewise, the tableau of CWS was awarded 'Best Tableau' and Amlohri secured second position.

SPECIAL AWARDS TO NIGAH, AMLOHRI AND CWS

Nigahi, Amlohri, Jayant and CWS were awarded special prizes on this occasion. Nigahi area was awarded for using dozer at dragline bench which helped increase utilization and productivity of dragline. Amlohri Area was awarded for best benching. Jayant area was awarded for dispatching large proportion of coal through MGR which helped reduce road transport.

CMD NCL Shri P.K.Sinha presided over the programme. The Director (Technical/Operations) Shri Gunadhar Pandey, CVO NCL Shri A.K.Srivastava, Director (Technical/Project & Planning) Shri P.M.Prasad, Director (Finance) Shri N.N.Thakur, Director (Mines Safety) DGMS Varanasi Shri U.P.Singh, Dy.Director DGMS (Electrical) Shri M.Sahay, General Manager (Safety & Rescue) Shri S.P.Singh and their spouses were present as guests of honour on this occasion. Also, trade union representatives NCL Shri Ashok Dubey & Shri Hiramani Yadav and Secretary CMOAI Shri Sarvesh Singh were also present as guests of honour.
